

Educational Outreach Programs *Clinton Township Partnership with Hunterdon County Parks and Recreation*

Clinton Township is delighted to offer a roster of free nature and environmental education programs, in conjunction with Hunterdon County Parks and Recreation for 2022. There is a varied selection of diverse programs suitable for different ages throughout the year. The programs are free to residents.

Sign up links are below under each event.

For more information, please contact me at aswitlyk@clintontwpnj.org.

October 23 - 2:00 PM to 3:30 PM

Skull Workshop at Echo Hill (Grade 2 and up)

Explore as a group the key features of skulls and what they reveal about our wildlife.

Guide: Debra Reed, Park Naturalist.
